Education

Bachelor of Technology in Computer Science and Engineering

MIT ADT University, Pune

2023 - 2026

CGPA: 7.35

Diploma in Computer Science and Engineering

SVERI's College of Polytechnic, Pandharpur

2020 - 2023

Percentage: 76.14%

Technical Skills

Languages: Python, Java, SQL, JavaScript

Web & Frameworks: HTML5, CSS3, React.js, Flask

Data Science: Pandas, NumPy, Matplotlib, Scikit-learn, NLP

Databases: MySQL (Relational Design, Query Optimization)

Tools: Git/GitHub, Postman, Google Colab

Projects

AI Resume Analyzer & Talent Matcher

Python, Flask, NLP (NLTK/Spacy), Scikit-learn

- Engineered an automated screening tool that utilizes TF-IDF vectorization to calculate cosine similarity between candidate resumes and job descriptions.
- Designed a parsing logic to extract key competencies, identifying critical "skill gaps" to provide actionable feedback for applicants.
- Architected a Flask-based backend to handle document uploads and real-time analysis with sub-2-second latency.

Scalable Task Management API

Python, Flask, MySQL, JWT Authentication

- Developed a robust RESTful API featuring secure User Authentication and Role-Based Access Control (RBAC) for managing complex workflows.
- Optimized relational database schemas in MySQL to ensure data integrity and efficient retrieval of nested task structures.
- Streamlined the development lifecycle by conducting rigorous endpoint testing with Postman to ensure 100% API uptime.

CareerSage: AI-Driven Career Pathing

React.js, Python, MySQL, CSS3, PHP

- Built a full-stack career advisory portal that matches user aptitude profiles with industry-standard job roles using a custom recommendation engine.
- Developed a responsive React frontend with a dynamic dashboard for viewing personalized growth reports and certification paths.
- Integrated an intelligent chatbot interface to handle user queries and provide real-time guidance on platform features.

Certifications

- **Deep Learning Specialization** – Coursera (Andrew Ng / DeepLearning.AI)
- **AWS Cloud Foundations** – Amazon Web Services
- **Computer Vision** – NPTEL (IIT Madras)
- **IT Specialist (Databases)** – Certiport
